ALTÈRA COLLECTION

Altèra marks a new chapter in the journey of Hommes Design. From the Latin alt, meaning high or elevated, and èra, evoking sophistication and nobility, emerges a word that embodies the spirit of our new collection: “that which is elevated, refined, and of noble essence.” Altèra is more than a name — it is a declaration of purpose. A collection in which every line, finish, and composition reflects our pursuit of timeless beauty, intelligent functionality, and authentic expression. Created for environments that inspire presence and reveal identity, Altèra rises above fleeting trends and celebrates design as a language of life. In every project, elegance manifests with subtlety, and luxury is presented in a quiet yet unmistakable way. Altèra is who we become when we choose to live with art.

Altèra marca um novo capítulo na trajetória da Hommes Design. Do latim alt, que remete ao que é alto, elevado, e èra, evocando sofisticação e nobreza, nasce uma palavra que traduz o espírito da nossa nova coleção: “aquilo que é elevado, refinado, de essência nobre”. Altèra é mais do que um nome — é uma declaração de propósito. Uma coleção onde cada linha, cada acabamento e cada composição reflete a busca por beleza atemporal, funcionalidade inteligente e expressão autêntica. Criada para ambientes que inspiram presença e revelam identidade, Altèra transcende tendências passageiras e celebra o design como linguagem de vida. Em cada projeto, a elegância se manifesta com suavidade, e o luxo se apresenta de forma silenciosa, porém inconfundível. Altèra é o que somos quando escolhemos viver com arte.
